

NATURAL SOURCING

Specialists in Cosmeceutical Ingredients

Essential Oils

Natural Sourcing offers high quality, pure, steam distilled essential oils sourced exclusively from small yet reputable distilleries around the world. We also offer a selection of CO2 extracts and solvent extracted absolutes. We buy directly from distilleries to ensure the quality and purity of the oils. Both conventional and organic essential oils are available. If you require an oil that is not listed, please send us an inquiry with your specific requirements.

Standard Packaging: 1 kg, 5 kg, 10 kg, 25 kg
