

NATURAL SOURCING

Specialists in Cosmeceutical Ingredients

NOP ORGANIC *Waxes*

Natural waxes provide structure and texture to cosmetic products including balms, creams and lotions. Beeswax is one of the most widely used natural waxes in the skin care industry.

Organic beeswax is soft and pliable, and it offers emollient and nutritive properties for the skin.

Natural Sourcing offers a superior quality organic beeswax suitable for emulsification and use within organic formulations.

Standard Packaging: 25 kg, 50 kg, 100 kg, 1 MT

Natural Organic Beeswax
