PLANT-BASED FRAGRANCE OILS

Suitable for beauty and personal care applications.

INCI: Fragrance

Shelf Life: 2 Years +

Origin: USA

Background:

Praan Naturals' exquisite range of premium quality Plant-Based Fragrance Oils are an aromatic achievement in fragrance artistry.

They are masterfully created using only plant-based ingredients such as pure essential oils, absolutes, extracts and aromatic isolates derived solely from natural, raw botanical sources.

Properties:

- Vegan and Cruelty-Free
- No Lab or Synthetized Isolates
- No Parabens
- No Phthalates
- No Sodium Lauryl Sulfate (SLS)
- No Sodium Laureth Sulfate (SLES)
- No Isopropyl Myristate
- No Dioctyl Adipate
- No Synthetic Stabilizers or Other Additives

Recommended Usage:

The recommended usage rates vary for each of our Plant-Based Fragrance Oils and the application that it will be used in. The usage rates are based on the specific essential oils and natural isolates contained within each oil. Please refer to our IFRA International Fragrance Association (IFRA) Certificates for the specific usage rates.

Natural Sourcing LLC certifies that the each Plant-Based Fragrance Oil is in compliance with the standards of the International Fragrance Association [IFRA 49th Amendment (January '20)], provided the fragrance is used at the maximum concentration level(s) as shown in its IFRA Certificate.

Standard Packaging: Available in bottles and metal tins.

Uses:

Praan Naturals' masterfully designed collection of Plant-Based Fragrance Oils features an extraordinary range of complex, sublime aromas that have not been previously possible when formulating fragrances solely with pure essential oils and extracts.

They are perfectly suited for use in your finest clean beauty, personal care, soap making and home fragancing applications where cost-effective fragrance is required without the use of synthetic components.

Plant-Based Fragrance Oils may be more challenging to work with than synthetic fragrance oils because they do not contain synthetic stabilizers. In that regard, they have similarities to essential oils in the challenges they present when formulating natural personal care products. Additional testing and adjustments may be necessary when incorporating our plant-based fragrances into your existing formulations.

Plant-Based Fragrance Oils are Well Suited for the Following Personal Care Applications:

- Skin Care
- Hair Care
- Nail Care
- Cosmetics
- Massage

PLANT-BASED FRAGRANCE OIL AROMATIC DESCRIPTIONS

Apricot

Praan Naturals Apricot Plant-Based Fragrance Oil deliciously captures the sweet, vibrant, fruity aroma of a soft, ripe apricot.

Cananga Flower

Praan Naturals Cananga Flower Plant-Based Fragrance Oil beautifully conveys the exotic, floral aroma of delicate freshly picked blossoms from the cananga tree. This divine fragrance also includes subtle notes of citrus and vanilla.

Cardamom & Primrose

Praan Naturals Cardamom & Primrose Plant-Based Fragrance Oil is a captivating fragrance that perfectly combines the floral notes of rose geranium, lavandin and Roman chamomile with the woody and spicy fragrance of cardamom touched with a hint of vetiver and patchouli. The very subtle hint of orange and lemon rounds off this beautiful fragrance.

Cherry

Praan Naturals Cherry Plant-Based Fragrance Oil elicits the scrumptious, sweetly fragrant cherry aroma of old-fashioned hard cherry candies.

Enchanted Eucalyptus

Praan Naturals Enchanted Eucalyptus Plant-Based Fragrance Oil magically captures the fresh, earthy woody aroma of eucalyptus touched with notes of rose geranium, lavandin and the most delicate hint of lime.

Eucalyptus Morning

Praan Naturals Eucalyptus Morning Plant-Based Fragrance Oil evokes the aroma of spending a beautiful, crisp Australian morning walking on a mossy, earthy path surrounded by majestic eucalyptus trees while savoring a warm, creamy beverage kissed with hints of vanilla.

Fresh Mango

Praan Naturals Fresh Mango Plant-Based Fragrance Oil authentically recreates the delightfully fragrant scent of a freshly cut ripe mango perfectly combined with the enticing aroma of creamy coconut.

Frosted Lemon Cake

Praan Naturals Frosted Lemon Cake Plant-Based Fragrance Oil will likely induce cravings. As its name implies, it smells just like a freshly baked lemon cake topped with fluffy buttercream frosting. Hints of caramelized sugar, inviting vanilla and juicy pear rounds out this sweet and decadent fragrance!

Grapefruit Splash

Praan Naturals Grapefruit Splash Plant-Based Fragrance Oil captures the uplifting, refreshing aroma when peeling an especially sweet, juicy grapefruit.

Honey Creme

Praan Naturals Honey Creme Plant-Based Fragrance Oil reminds us of the rich, delicious flavor of Honey Creme that perfectly combines subtle notes of honey, cream and caramel.

Lavender

Praan Naturals Lavender Plant-Based Fragrance Oil beautifully captures the soothing aroma of freshly picked lavender buds. The fragrance is sweet, earthy and floral with the subtle hint of camphor that lavender is so well known for.

Lavender Honey

Praan Naturals Lavender Honey Plant-Based Fragrance Oil delightfully evokes the comforting aroma of sweet honey that has been perfectly infused with rich vanilla and the captivating floral aroma of French lavender.

Lemon Drop

Praan Naturals Lemon Drop Plant-Based Fragrance Oil reminds us of the uplifting, sweet and lemony aroma of old-fashioned lemon drops that have been kissed with the softest aromatic touch of fresh mint.

Pina Colada

Praan Naturals Pina Colada Plant-Based Fragrance Oil captures the irresistible tropical bliss experienced when savoring a freshly made pina colada.

PLANT-BASED FRAGRANCE OIL AROMATIC DESCRIPTIONS (CONTINUED)

Rosewood Lavender

Praan Naturals Rosewood Lavender Plant-Based Fragrance Oil perfectly merges the beautiful, sweet, woody aroma of authentic rosewood that has been touched with delicate lavender floral notes. Rosewood trees are endangered. This lovely Plant-Based Rosewood Lavender Fragrance Oil serves as an eco-friendly, sustainable alternative to Rosewood Essential Oil for personal care fragancing applications.

Rugged Woods

Praan Naturals Rugged Woods Plant-Based Fragrance Oil evokes the woody, earthy aroma of hiking deep in the forest as fallen tree trunks, branches and autumn leaves cross your path.

Satsuma

Praan Naturals Satsuma Plant-Based Fragrance Oil captures the uplifting, energizing aroma of juicy satsuma mandarins, sweet oranges and other summertime fruit favorites that have been perfectly blended with a delicate floral backdrop.

Spiced Rose

Praan Naturals Spiced Rose Plant-Based Fragrance Oil artfully combines the exquisite aroma of beautifully fragrant roses that have been impeccably paired with delicate hints of coriander seed.

Vanilla Spice

Praan Naturals Vanilla Spice Plant-Based Fragrance Oil masterfully combines the comforting, warm aroma of vanilla with spicy, citrusy and earthy notes to create a unique and complex unisex fragrance.

Wild Rose

Praan Naturals Wild Rose Plant-Based Fragrance Oil evokes the aroma of roses intermixed with an array of fragrant wildflowers and fresh herbs. It is soft, fresh and wonderfully floral.

Yuzu Breeze

Praan Naturals Yuzu Breeze Plant-Based Fragrance Oil skillfully merges the zesty, invigorating aroma of yuzu citrus fruits with subtle floral notes and a whisper of fresh mint.
