

PEPPERMINT ESSENTIAL OIL

Suitable for beauty and personal care applications.

INCI: Mentha Piperita (Peppermint) Oil

Extraction Method: Steam Distillation

Shelf Life: 5 Years

Origin: USA

Background:

Praan Naturals Peppermint Essential Oil is expertly steam distilled from peppermint leaves grown in the Willamette Valley of Oregon. Willamette Valley is a region of the Pacific Northwest that is extremely fertile and is conducive to producing an aromatically superb Peppermint Essential Oil.

Ethical and Sustainable Sourcing:

Peppermint Essential Oil is a conscientious alternative to essential oils derived from plant species that have been classified as threatened or endangered.

Uses:

Praan Naturals Peppermint Essential Oil offers numerous applications within beauty, cosmetic, aromatherapy, wellness, fragancing and soapmaking applications.

Emotionally, Peppermint Essential Oil can help reduce mental fatigue and help maintain alertness.

Praan Naturals Peppermint Essential Oil possesses a delightful aroma that is fresh, sweet and intensely minty. The aroma conveys the feeling of freshness and cleanliness, making it well suited for hygiene, dental and cleaning products.

Peppermint Essential Oil is also widely praised for its ability to help support healthy digestion.

Aromatically, Peppermint Essential Oil blends especially well with essential oils in the mint, wood, spice, citrus and herbaceous families.
